What to do if you think something on your medical records is incorrect

On very rare occasions, information in your record might need to be corrected.

If you find something on your medical records that you think is not correct, please fill in the below form, and return to surgery.

Please note that we cannot remove medical information that you do not want on your record, we can only look into information that may be inaccurate.

We will contact you with an update within 30 days of this form being received.
