### **VIRTUAL PATIENT PARTICIPATION GROUP (VPPG)**

Our participation group is made up of patients who provide feedback to the surgery. As a practice, we hope to engage the group in helping to deliver and design services around the needs of its patients, and represent the patient's views and wishes for the surgery.

Our group is a virtual patient group. Contact is made and surveys are done via email. All responses to surveys are anonymous.

If you are interested in joining our group, please fill in this form, and return to reception.

Please make sure you include an active email address. Thank you.
