Patients will be contacted to confirm cost payable. Payment can be made by BACS payment (in advance), cheque or cash only. We do not accept payment by card and payment must be made in advance due to many forms and letters not being collected.

GPs are not contractually required to undertake providing sick notes for pupils. The BMA makes it clear that schools should accept letters from parents or guardians of the child.

There may be some work that we are not able to complete. We will advise on this once your request is brought into surgery.

Due to the high demand for non-NHS services to be completed, please note that requests may take up to 28 days to complete.

FOR ANY OTHER NON-NHS WORK THAT MAY INCUR A FEE, PLEASE ASK A RECEPTIONIST WHO WILL BE ABLE TO ADVISE YOU.
